28921 - Bendable Stainless Steel Cutlery with PP Handle Set

Description:

The good grips cutlery range is ideal for persons with limited hand control, Parkinson's disease or spasticity. The weight in the built -up handle provides more control so that the utensil reaches the mouth easier.

Features:

- Stainless steel utensils
- Each cutlery piece features a special twist built into the metal shaft that allows it to be bent for either right or left handed use
- The angled rocker knife requires only minimal arm strength for cutting
- PP plastic handles won't slip, even when wet
- Large handle is helpful for persons with weak grasp or limited hand coordination
- Dishwasher safe
- Cutlery is perfect for anyone with arthritis or some limited handgrip
- Specifications: 36mm x 190~215mm
